

AN UPDATE ON THE PERSONAL LOCATOR BEACON CAMPAIGN "BRINGING FISH HARVESTERS SAFELY HOME"

October 30, 2022

On February 14, 2022, a special Personal Locator Beacon campaign was launched making PLBs accessible to NL fish harvesters at 40% of the cost. The campaign was made available through a coalition of the *Newfoundland and Labrador Fish Harvesting Safety Association (NL-FHSA)*, *Fish Harvesters' Resource Centre (FRC)*, *Professional Fish Harvesters Certification Board (PFHCB)*, and the *Fish, Food & Allied Workers (FFAW-Unifor)*.

What you need to know about the campaign:

This may be your last chance to purchase a PLB at 60% off the purchase price.

A limited number of *McMurdo Fast Find 220 PLB (Canada)* PLBs are available for purchase. One per enterprise.

Currently, the FRC has **700 PLBs** in stock in their offices and are accepting orders. This means that once you place your order, there will be no delays in shipping a PLB to you.

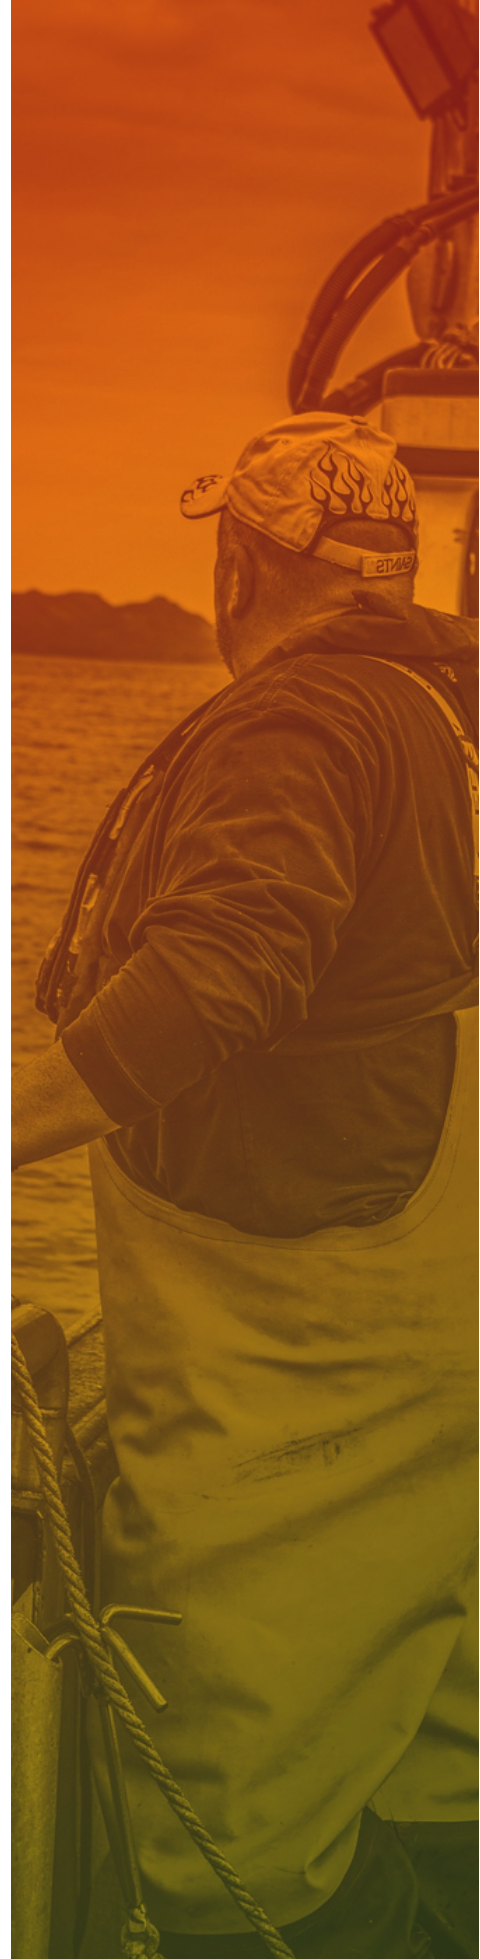

The full cost of a PLB is **\$427.00**. Your total cost to purchase a PLB is **\$195.50**, a cost savings of 60%.

To place your order, complete the *Application for Personal Locator Beacon*, attached.

Don't forget to include your *enterprise number*, your *FIN number*, and *enclose a current copy of your license with your application*.

Payment options: Cheque, money order, or by credit card.

**This project aims to make the life-saving technology
more accessible to enterprise owners and their crew.
Order your PLB today!**
